

REMARKS

This is a preliminary amendment before the first Office Action.

Claims 21-32 are pending.

Claims 1-20 have been cancelled herein without prejudice since their subject matter is claimed in the parent application 10/039,284.

This divisional application is filed herewith following a restriction requirement in the parent application, 10/039,284, in which an election was made via facsimile on February 16, 2003 to restrict examination in the parent application to method claims 1-20.

The specification is amended to add the priority claim to the parent application 10/039,284.

The specification is also amended to add the serial number and subsequent patent number of three related applications, as well as the patent number for a fourth related application.

The specification is also amended to correct a typographical error in original paragraph [0009].

The claims are amended to cancel claims 1-20, which are subject to examination in the parent case 10/039,284 following the restriction election made on February 16, 2003.

CONCLUSION

Applicant submits Claims 21-32 are in condition for allowance, early notification of which is earnestly solicited. Should the Examiner be of the view that an interview would expedite consideration of this Amendment or of the application at large, request is made that the Examiner telephone the Applicant's attorney at (908) 518-7700 in order that any outstanding issues be resolved.

FEES

If there are any fees due and owing in respect to this amendment, the Examiner is authorized to charge such fees to deposit account number 50-1047.

Respectfully submitted,
